2nd March 2017

CHARITY DINNER EVENING – Friday 28th April 2017
In support of Computer, Technology, Education Project in Nepal

I am writing on behalf of Dhan Gurung, Chairman of the Gurkha Memorial Fund UK, to invite you to join us for this very special occasion.

Following the successful unveiling of the statue you will know that we are moving into the second objective of GMF, which is to provide computers and computer technology and education for rural schools in Nepal.

We have already started this phase of the project by raising funds for 33 computers for the Kakarbhitta Higher Secondary School, Jhapa District, East Nepal. We now need additional funds to completely furnish the new classroom being built for this, including provision of the basic technology system required.

This Charity Dinner is aimed to start the fund raising process. Apart from the traditional Nepalese Curry Dinner there will be entertainment provided by the Military Wives Choir, the Band of the S.E. Border Force (DB'Z), dancing by the children of Folkestone Girls Grammar and music with the Regimental Piper.

The cost for this event is £45 for couples, £25 single tickets - Cheques to "Gurkha Memorial Fund". As places are limited we would be grateful for an early response and we in turn will acknowledge your booking by email.

If you are unable to join us you may wish to donate to this fantastic cause by cheque to "Gurkha Memorial Fund".

Parking is available at the Sandgate Road Car Park. Entrance to the Channel Suite of the Leas Cliff Hall is from the Leas. Please also ensure you have your card with you to show the staff who will direct you as required.

Yours sincerely,

John D. Barber
